SATURDAY EVENING, MAY 21, 1904.

AN EYE FOR AN EYE. A statement has been issued by the xecutive board of the Western Federation of Miners relative to their views on the strike situation in Colorado and the imprisonment in a military "bull pen" of Charles H. Moyer, president of the federation. The issues involved will be presented to the convention of the federation to be held at Denver next week. In connection with its reference to "the

infamy and barbarism of military rule in Colorado," the statement says:
"For 60 days the president of our organization has languished in the confines or a bull pen, held under the plea of 'military necessity.' When did 'military necessity' become a part of the law or constitution of the State, enabling a corrupt executive to deprive a man, whose cradle has been rocked beman, whose cradle has been rocked be-neath the dome of an American sky, of the priceless inheritance of constitutional liberty? When did it become lawful tor a corporation-mortgaged gov-ernor to clothe himself in the cloak of 'military necessity,' and with the dictum of an unrestrained and heensed brigand kidnap and imprison an American citizen who is guiltless of crime, but whose sturdy and unflinching manhood refuses to give quarter to the im-placable foes who have decreed that the Western Federation of Miners shall be exterminated from the boundaries of Colorado? [The governor of this State, with but 16 soldiers on duty in San Mi-guel county, continues the reign of marto defy judicial tribunals, believing that confinement and relentless persecution will ultimately bring about the death of the man who has incurred the insatiable enmity of a mineowners' association and a citizens' alliance. If the life of Charles H. Moyer shall be sacrificed to appease the wrath of corporate and commercial hate, then there will be forced upon the peaceful, law-abiding and liberty-loving nembeship of our organization the ancient words in the old mosaic law: 'An eye tor an eye and a tooth for a tooth,' and here in the Rocky Mountains may be reared a monument commemorating the era when despotism met its downfall and manhood its regeneration."

A Sure Thing.

A Sure Thing.

It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery for Consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. Van Metre, of Shepherdstown, W. Va., says: "I had a severe case of Bronehitis and for a year tried everything I heard of but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely," It's infallible for Croup, Whooping Cough, Grip, Pneumonia and Consumption: Try it. It's guaranteed by E. S. Leadbeater & Sons, druggists. Trial bottles free. Reg. Sizes 50e and \$1.00.

Whooping Cough.

"In the spring of 1901 my children had whooping cough," says Mrs. D. W. Capps, of Capps, Ala. "I used Chamberlain's Cough Remedy with the most satisfactory results. I think this is the best remedy I have ever seen for whooping cough." This remedy keeps the cough loose, lessens the severity and frequency of the coughing spells and counteracts any tendency toward pneumonia. For sale by Richard Gibson and W. F. Creighton & Co.

Having tendered my resignation as Clerk of Gas, and the same having been accepted by the City Council, and as I am compelled to make up my accounts for the fiscal year ending May 31, 1904, it has become my duty to make immediate efforts to collect all outsanding bills. I therefore notify all gas consumers whose bills are not paid by 4 o'clock, p. m. on TUESDAY, MAY 31, 1904, that the meters will be at once removed from their premises and the supply of gas cut off and the collection of all outstanding bills enforced.

As the law gives me no authority to grant any indulgence, I must insist upon a prompt settlement of gas bills.

This notice is issued with the approval and on the authority of the Committee on Light, and I am instructed by them to exant a final and complete settlement from gas consumers of all outstanding bills and the supply of gas cut off.
